

Social responsibility Policy

Principles

- All Hotel services are designed and offered with the support of the local economy and community at their core.
- Respects Human rights and complies with existing national and international legislation and related regulations.
- The principles of equality, equivalence and fair employment are adopted by Dimitra Beach.
- Promotional offers to socially disadvantaged groups.
- Promotion of services and facilities for the disabled.
- Provision of a safe environment for children.
- We respect and protect the cultural and natural heritage.
- Grant full beach access to everyone as per defined in Greek legislation.

Scope

The adoption of a social policy in order to ensure equality, equivalence and safe conditions for all.

Intentions

- To make the staff and the guests aware of social issues, the regulation of human rights and children policy.
- To support the local economy and if possible to contribute to the improvement of local infrastructures, services, products etc.
- To promote social activities and special offers to people in need.
- To protect the natural and cultural heritage.
- To create a socially responsible footprint on a local level.
- To be aware of appearing social challenges, problems and become part of the solution.

The Director of Dimitra Beach
